

ORDINANCE 03-02

AN ORDINANCE AMENDING ORDINANCE 95-06 BY RESTRICTING DRIVEWAY IMPROVEMENTS WITHIN THE CITY STREET RIGHT-OF-WAY EXCEPT IN ACCORDANCE WITH PLANS APPROVED BY THE BUILDING INSPECTOR OR AN ENGINEER RETAINED BY THE CITY OF CAMMACK VILLAGE, ARKANSAS, DECLARING AN EMERGENCY AND FOR OTHER PURPOSES

Section 1: Section 5 of Ordinance 95-06 is amended to add a separate paragraph that no driveway improvements within the City street rights-of-way shall be permitted except in accordance with plans approved by the Building Inspector or an engineer retained by the City of Cammack Village. In the event the City determines in its sole discretion that review by a licensed engineer is appropriate, the owner making the improvements shall reimburse the City for the cost of any engineering review as a condition to approval of the improvements.

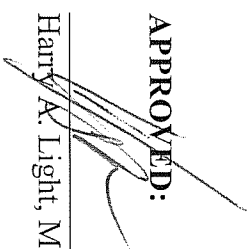

Section 2: All other language contained in Ordinance 95-06 shall remain in full force and effect.

Section 3: EMERGENCY CLAUSE. The City Council for the City of Cammack Village finds and determines that an ordinance establishing restrictions for driveway improvements within the city's rights-of-way is necessary for the orderly administration and operation of the City of Cammack Village, Arkansas in that no such applicable ordinance exists and unsupervised improvements within the street rights-of-way are causing drainage problems and/or damage to the streets and that an emergency is declared to exist and this ordinance being necessary for the preservation of the public peace, health and safety be in full force and effect on or after February 11, 2003.
